

秋日校园的欢笑与发现

今天阳光明媚，是我们三年级的秋游日。一早，校园里已经充满了秋天的气息，金黄色的落叶铺满小路，微风轻轻吹过，带来一阵阵清爽的空气。大家聚集在操场上，兴奋地讨论着今天的活动安排。

首先，我们进行了一次“秋叶画”活动。老师让我们捡拾不同形状和颜色的落叶，用它们制作小小的画作。我找到了几片红枫叶和黄银杏叶，把它们拼成一棵彩色的秋树，大家都夸我做得漂亮。通过这个活动，我发现秋天的叶子不仅美丽，还可以变成艺术品。

之后，我们去校园的果树区采摘果子。树上的苹果和柿子挂得满满的，我们小心翼翼地摘下来，品尝着自己的劳动成果，甜甜的味道让人心情大好。还有一些同学玩起了“落叶飞舞”的游戏，把捡到的叶子抛向空中，看它们在空中旋转、飘落，笑声响彻整个校园。

午后，我们在校园的小池塘边观察秋天的昆虫和小动物。蜻蜓在水面上飞舞，青蛙偶尔跳入水中，忙碌的蚂蚁搬运着食物。老师告诉我们，这些都是秋天特有的生命，让我们学会欣赏自然的美妙与生机。

通过这次秋游，我不仅玩得很开心，还学到了许多知识，懂得了如何观察自然、保护环境。秋天的校园像一幅美丽的画卷，每一片落叶、每一个微笑都让我难忘。这次秋游让我明白，快乐不仅来源于游戏和采摘，更来自于对大自然的热爱和发现的喜悦。

Laughter and Discoveries in the Autumn Campus

Today was a sunny day, perfect for our third-grade autumn field trip. Early in the morning, the campus was already filled with the atmosphere of autumn. Golden fallen leaves covered the paths, and a gentle breeze brought a refreshing feeling. Everyone gathered on the playground, excitedly discussing the activities planned for the day.

First, we did an 'Autumn Leaf Art' activity. The teacher asked us to collect fallen leaves of different shapes and colors and make small artworks. I found some red maple leaves and yellow ginkgo leaves and arranged them into a colorful autumn tree. Everyone praised my work. Through this activity, I realized that autumn leaves are not only beautiful but can also become works of art.

Next, we went to the fruit trees in the campus to pick fruits. The trees were full of apples and persimmons. We carefully picked them and enjoyed the sweet fruits, which made everyone very happy. Some classmates played a 'Falling Leaf Dance' game, tossing the leaves into the air and watching them spin and drift down. Laughter echoed across the campus.

In the afternoon, we observed insects and small animals by the campus pond. Dragonflies danced over the water, frogs occasionally jumped in, and busy ants

carried food. The teacher told us that these are unique signs of life in autumn, teaching us to appreciate the beauty and vitality of nature.

This autumn trip was not only fun but also educational. I learned how to observe nature and protect the environment. The autumn campus felt like a beautiful painting, with every leaf and every smile unforgettable. This outing taught me that happiness comes not only from games and picking fruits but also from loving nature and the joy of discoveries.
