

# 校园秋游的欢声笑语

秋高气爽，今天我们四年级迎来了期待已久的校园秋游。我早早起床，背上准备好的小书包，心里像装满了小鹿一样乱跳。妈妈提醒我要带水和零食，还说秋风凉，要注意保暖。

集合时，同学们已经三三两两地在操场上聚集，大家互相打招呼，分享自己带的小零食。老师点名后，我们排好队，出发了。沿途的景色让人心情愉快，远处的树林像火焰一样燃烧，黄色的稻田随风起伏，偶尔还能看到几只小鸟飞过。

到达活动地点后，我们分组开始各种游戏。我和好友组成一队参加寻宝比赛，沿途寻找老师事先藏好的小物件。每找到一个物件，我们都会高兴得手舞足蹈，引来其他同学的羡慕目光。捉迷藏时，我躲在一棵大树后，听到大家的笑声，心里既紧张又兴奋。

午餐时，我们坐在草地上，分享各自带来的美味。有的同学带了糖果，有的带了水果，我则带了妈妈做的三明治。大家互相交换，笑声不断，友谊在这轻松的氛围中悄悄加深。

午后散步时，微风轻拂，落叶在脚下沙沙作响。湖水清澈，几只鸭子悠闲地游动，天空中偶尔飘过几片白云。我深吸一口气，感受到秋天的宁静与美好。大家拍照留念，记录下这段难忘的时光。

回到学校，虽然大家都略显疲惫，但心情依然激动。今天的秋游让我不仅欣赏了美丽的秋景，也体验到了团队合作和友情的快乐。我想，这样的秋游经历会成为我们童年中最珍贵的回忆。

## Laughter and Joy in the Campus Autumn Outing

The autumn sky is clear and crisp, and today we fourth graders finally had our long-awaited campus autumn outing. I got up early, slung my small backpack on my shoulder, and felt my heart racing like it was filled with little deer. Mom reminded me to bring water and snacks and to dress warmly as the autumn breeze was chilly.

At the assembly, classmates were already gathered in small groups on the playground, greeting each other and sharing their snacks. After the teacher took attendance, we lined up and set off. The scenery along the way was delightful; the distant trees blazed like flames, golden rice fields swayed in the wind, and occasionally, small birds flew by.

At the activity site, we split into groups for various games. My friends and I formed a team for a treasure hunt, searching for small items the teacher had hidden. Each time we found an item, we celebrated with joy, drawing envious looks from other classmates. While playing hide-and-seek, I hid behind a large tree, my heart both nervous and excited as I heard everyone's laughter.

During lunch, we sat on the grass sharing the delicious food we brought. Some classmates had candy, others brought fruit, and I had sandwiches made by my mom. We

exchanged treats and laughed continuously, deepening our friendships in this relaxed atmosphere.

During the afternoon walk, the gentle breeze brushed past, and the fallen leaves rustled beneath our feet. The lake was clear, with a few ducks swimming leisurely, and a few white clouds drifted across the sky. I took a deep breath, feeling the tranquility and beauty of autumn. We took photos to capture these unforgettable moments.

Back at school, although everyone was a little tired, our hearts were still thrilled. Today's autumn outing not only let us enjoy the beautiful autumn scenery but also experience the joy of teamwork and friendship. I think this outing will become one of the most cherished memories of our childhood.
