

# 秋游的快乐时光

今天是我们四年级的秋游日，我早早地起床，心里充满了期待。妈妈帮我准备了零食和水，还叮嘱我要带好帽子和外套，因为秋天的早晨有些凉。

我们在校园门口集合，老师点名后大家排好队，坐上大巴车。车窗外的景色逐渐从城市的高楼变成了金黄色的田野，微风吹在脸上，带着秋天独特的清爽味道，我的心情也随之愉快起来。

到达目的地后，我们先在操场上集合，老师告诉我们活动安排。我和同学们迫不及待地四处张望，发现树叶已经染成了红色、黄色和橙色，踩在地上的落叶发出沙沙声。大家迫不及待地拍照，有的同学还捡起漂亮的叶子夹在书里。

随后我们开始了游戏时间，有同学玩捉迷藏，有同学玩跳绳，我和几个好朋友一起在草地上追逐，欢声笑语回荡在整个校园。小明不小心摔了一跤，大家都围上去关心他，他自己也忍不住笑了，大家都笑得前仰后合。

午餐时，大家围坐在一起分享带来的零食，有的同学带了自制的小点心，有的同学带了水果，大家边吃边聊，还互相交换零食。这种分享的快乐让我觉得秋游不仅是玩耍，更是一种友情的体验。

下午，我们在校园的小路上散步，欣赏着秋天的美景。远处的湖面像镜子一样平静，几只鸭子在水中游来游去。微风吹过，带来阵阵花草的清香。我深深地感受到大自然的美丽和宁静，也明白了人与自然和谐相处的重要性。

随着太阳慢慢落山，秋游也接近了尾声。回程的路上，大家依旧兴奋地讨论今天的趣事，虽然有些疲惫，但心里充满了满足感。我想，这次秋游不仅让我看到了美丽的秋景，还让我和同学们的友谊更加深厚，也让我学会了感受生活中简单而美好的快乐。

## A Joyful Autumn Outing

Today was our fourth-grade autumn outing, and I woke up early, full of excitement. Mom helped me prepare snacks and water, and reminded me to bring my hat and jacket because the autumn morning was a bit chilly.

We gathered at the school gate, lined up after the teacher took attendance, and boarded the bus. Outside the window, the scenery gradually changed from tall city buildings to golden fields. The breeze brushed against my face, carrying the unique freshness of autumn, and my mood brightened accordingly.

Upon arriving at our destination, we first gathered on the playground while the teacher explained the day's activities. My classmates and I couldn't wait to look around, noticing the trees painted in red, yellow, and orange. The fallen leaves made a rustling sound under our feet. Everyone eagerly took photos, and some collected beautiful leaves to press in their books.

Then we began our game time. Some classmates played hide-and-seek, some jumped

rope, and I ran with a few friends across the grass, laughter echoing through the campus. Xiaoming accidentally fell, and everyone rushed to check on him. He couldn't help but laugh, and soon we were all laughing together.

During lunch, we sat together sharing the snacks we brought. Some classmates had homemade treats, others brought fruit, and we chatted while exchanging snacks. This sharing made me realize that autumn outings are not just about playing, but also about experiencing friendship.

In the afternoon, we strolled along the campus paths, enjoying the beauty of autumn. The distant lake was as calm as a mirror, with a few ducks swimming around. The breeze carried the fresh scent of flowers and grass. I deeply appreciated the beauty and tranquility of nature and understood the importance of living in harmony with it.

As the sun slowly set, the outing came to an end. On the way back, everyone excitedly discussed the day's events. Though a bit tired, our hearts were full of satisfaction. This autumn outing not only allowed me to see the beautiful autumn scenery but also strengthened my friendship with classmates and taught me to enjoy the simple pleasures of life.
