

难忘的校园秋游日记

今天是我们四年级的秋游日，我一早就起床准备行李，心里充满了期待。妈妈给我准备了小零食和水，还提醒我秋天早晚温差大，要多穿衣服。出门时，我看到院子里的枫树已经染上红色，落叶在地上铺成一条美丽的地毯，让我对今天充满了好奇。

我们在校门口集合，老师点名后，我们排好队坐上大巴。车窗外，城市的喧闹慢慢被远处的田野和树林取代，空气中带着秋天的清爽和泥土的香味。我看着窗外的风景，心情格外轻松愉快。

到达目的地后，老师带我们在校园里进行自由活动。我和同学们在操场上玩捉迷藏，追逐嬉戏。红色、黄色和橙色的落叶铺满地面，每踩一步都会发出轻轻的沙沙声，仿佛在为我们的游戏伴奏。小明在追逐中摔了一跤，我们赶紧跑过去帮他，他却笑着说没关系，这让大家笑得更加开心了。

午餐时间，我们坐在大树下分享零食，大家交换带来的水果和小点心。互相分享的过程中，大家更加亲近，也增进了友情。吃完后，我们在校园的小路上散步，欣赏秋天的美景。湖水倒映着蓝天白云，几只小鸭子在水中游来游去，偶尔还有一阵微风吹过，带来阵阵花草的清香。

秋游不仅让我们玩得开心，还让我学会了观察自然，发现生活中的美好。回程时，大家在车上回忆今天的趣事，虽然有些疲惫，但心里充满了满足。我想，这次秋游将成为我记忆中最美好的一段时光。

Unforgettable Campus Autumn Outing Diary

Today was the day of our fourth-grade autumn outing. I got up early to pack my things, feeling full of anticipation. Mom prepared snacks and water for me, and reminded me that autumn mornings and evenings could be chilly, so I should wear enough clothes. When I went outside, I saw the maple trees in the yard turning red, and the fallen leaves formed a beautiful carpet, making me curious about the day ahead.

We gathered at the school gate, and after the teacher took attendance, we lined up and got on the bus. Outside the window, the bustling city gradually gave way to distant fields and woods. The air carried the freshness and earthy scent of autumn. Watching the scenery, I felt relaxed and happy.

At the destination, the teacher let us freely explore the campus. My classmates and I played hide-and-seek and ran around on the playground. Red, yellow, and orange leaves covered the ground, and each step made a gentle rustling sound, as if accompanying our games. Xiaoming fell while chasing, and we quickly ran to help him, but he laughed and said it was fine, making everyone laugh even more.

During lunch, we sat under a big tree sharing snacks, exchanging fruits and treats we brought. This sharing brought us closer and strengthened our friendship.

After eating, we walked along the campus paths, admiring the beauty of autumn. The lake reflected the blue sky and white clouds, a few ducks swam across, and the gentle breeze carried the fresh scent of flowers and grass.

The outing not only made us happy but also taught me to observe nature and appreciate the beauty in life. On the way back, everyone recalled the day's fun memories on the bus. Though a bit tired, our hearts were full of satisfaction. I think this autumn outing will become one of the most beautiful memories in my life.
