

湖畔的秋游趣事

秋天的风带着丝丝凉意，也带来了四年级同学期待已久的秋游。早上，我们在校园门口集合，老师带领我们点名后，安排大家有序上车。大家背着小书包，里面装着午餐和水，还有相机和小笔记本，准备记录秋游的点点滴滴。

经过一段车程，我们到达了湖边公园。湖面像一面镜子，映照出蓝天和岸边金黄的树叶。老师带我们先了解了景区规则，然后自由活动时间开始了。我们沿着湖边小道散步，捡拾漂亮的落叶，还用手机拍下彼此的笑脸。

在活动中，发生了一件让大家忍俊不禁的趣事。小华不小心踩到湿滑的泥地，滑了一跤，但他机智地扶住了一棵树才没有摔得更惨，大家看到后都笑得前仰后合。老师也笑着说，秋游就是要安全又开心。

午餐时，我们围坐在草地上，分享零食和饮料。小组之间还交换了小卡片和笑话，大家笑声不断，友情在这一刻更加深厚。餐后，我们进行了一次观察比赛：谁能找到更多不同种类的树叶。通过比赛，我认识了好多以前不认识的树木，也学习了如何辨认它们的叶子形状和颜色。

下午，老师带我们划船在湖上游玩，微风拂面，湖水荡漾。小朋友们兴奋地互相泼水，安全与欢乐兼顾。看着湖边的美景，我感到心情格外舒畅，也发现自然之美是课本上无法学到的。

傍晚时分，我们集合返校。一路上大家分享今天的经历和趣事，回忆一天的活动，让我明白：秋游不仅是玩耍，更是学习与观察的机会。通过这次湖边秋游，我收获了友谊，增强了对自然的兴趣，也留下了许多难忘的回忆。

Fun Moments by the Lake During Autumn Trip

The autumn breeze carried a slight chill and brought the long-awaited autumn trip for our fourth-grade classmates. In the morning, we gathered at the school gate. After the teacher took attendance, we got on the bus in an orderly manner. Everyone carried backpacks filled with lunch, water, cameras, and small notebooks to record every moment of the trip.

After a short ride, we arrived at the lakeside park. The lake was like a mirror, reflecting the blue sky and the golden trees along the shore. The teacher first explained the park rules, then free activity time began. We walked along the lakeside paths, collected beautiful fallen leaves, and took photos of each other's smiles.

During the activities, a funny incident occurred. Xiao Hua accidentally stepped on slippery mud and slipped, but he cleverly grabbed a tree to avoid a worse fall. Everyone burst into laughter. The teacher also laughed and said that an autumn trip should be fun but safe.

At lunchtime, we sat on the grass, sharing snacks and drinks. Groups exchanged

small cards and jokes, laughter filling the air. This moment strengthened our friendships. After lunch, we had a leaf observation competition: who could find the most types of leaves. Through this, I learned about many trees I didn' t know before and how to identify them by their shapes and colors.

In the afternoon, the teacher took us boating on the lake. The breeze brushed our faces, and the water rippled gently. Children excitedly splashed water at each other, combining safety and fun. Looking at the beautiful scenery, I felt peaceful and realized that the beauty of nature cannot be learned from textbooks.

In the evening, we gathered and headed back to school. On the way, everyone shared experiences and funny moments from the day. I realized that autumn trips are not just about play but also about learning and observing. Through this lakeside autumn trip, I gained friendship, developed an interest in nature, and created many unforgettable memories.
