

秋游里的小探险

秋风吹来，带着一丝凉意，也带来了秋游的好心情。今天我们幼儿园的小朋友们要去郊外公园，我早早穿好外套，背上小背包，里面放了水和零食。一路上，我兴奋得一直问老师什么时候到达目的地。

终于到了公园，眼前的景色让我惊讶不已。大片的红叶像火焰一样点缀在树上，黄色的银杏叶在阳光下闪闪发光。我们沿着小径慢慢走，每踩一步，落叶就发出“沙沙”的声音，好像在为我们伴奏。我和小伙伴们开始了小小探险，寻找藏在树丛中的小昆虫和果实。

我发现了一只小青蛙，它蹲在水塘边不动，我们小心地观察它，生怕惊动它。小明找到了一个松果，我们拿着它研究，猜想小松鼠会不会喜欢。老师告诉我们，秋天是很多动物准备过冬的时候，它们会收集食物。听了老师的话，我觉得自己像个小小探险家，学会了关心小动物。

午餐时间，我们围坐在草地上分享零食。大家一边吃，一边讲刚才发现的小秘密，有的小朋友捡到漂亮的叶子，有的发现小虫子爬在树上。下午，我们还玩了“树叶接力赛”，用落叶做小旗子传递，看谁跑得最快。我跑得气喘吁吁，但看到同伴们开心的笑容，我觉得一切都值得。

夕阳渐渐西下，我们依依不舍地离开公园。在回幼儿园的路上，我把今天的趣事一一回忆。秋天的风景很美，但最美的是和朋友们一起发现世界、分享快乐的过程。我想，下次秋游，我一定还要做小小探险家，继续寻找秋天的秘密。

Little Adventures During Autumn Outing

The autumn breeze brought a hint of coolness and the joy of our outing. Today, the children from our kindergarten were going to a park in the countryside. I wore my jacket early and packed a little backpack with water and snacks. On the way, I excitedly kept asking the teacher when we would arrive.

Finally, we arrived at the park, and the scenery amazed me. Large red leaves decorated the trees like flames, and yellow ginkgo leaves sparkled in the sunlight. We walked slowly along the path, and every step on the fallen leaves made a 'rustling' sound, as if providing music for us. My friends and I started a little adventure, searching for insects and fruits hidden among the bushes.

I found a little frog sitting quietly by the pond. We observed it carefully, not wanting to disturb it. Xiaoming found a pine cone, and we studied it, wondering if the squirrels would like it. The teacher told us that autumn is the time when many animals prepare for winter, collecting food. Hearing this, I felt like a little explorer, learning to care for the animals.

During lunch, we sat on the grass sharing snacks. Everyone talked about the little discoveries they made earlier—some found beautiful leaves, some spotted insects crawling on trees. In the afternoon, we played a 'leaf relay race', using

fallen leaves as flags to pass along and see who ran fastest. I ran until out of breath, but seeing my friends' happy faces made it all worthwhile.

As the sun set, we reluctantly left the park. On the way back to kindergarten, I recalled all the fun moments of the day. The autumn scenery was beautiful, but the most beautiful part was discovering the world and sharing joy with friends. I think next time on an autumn outing, I will definitely be a little explorer again, continuing to uncover the secrets of autumn.
