

金色的秋天奇遇

今天是我们幼儿园秋游的日子，我一早就背上小书包，心里充满了期待。天空湛蓝，太阳温暖地照在身上，好像在为我们的旅行打气。老师带着我们排好队，坐上大巴车，一路上大家欢声笑语，窗外的风景从高楼慢慢变成了金黄色的田野和红叶林。

到达目的地后，我迫不及待地跑向草地。地上铺满了落叶，有红色的枫叶，也有金黄的银杏叶，我和小朋友们捡起漂亮的叶子，比比谁捡到的最多最漂亮。突然，我看到一只小松鼠从树上跳下来，它灵巧地在树枝间跑来跑去，好像在和我们玩捉迷藏。我悄悄告诉小明，小明也看到了，他悄悄地拿出小饼干放在地上，小松鼠好像明白了，快速叼走了饼干，又跳回树上，大家都笑了起来。

中午，我们在大树下野餐，大家围坐在一起分享零食。我吃着妈妈准备的三明治，听老师讲秋天的果实知识。原来秋天是收获的季节，果实都成熟了，像苹果、柿子、栗子都很甜。我还尝试了采摘小苹果，虽然有点酸，但非常有趣。

下午，我们玩起了捉迷藏和拔河比赛。小红一开始被藏起来了，我们四处寻找，最后大家笑着跑到她身边，手牵手一起欢呼。拔河比赛中，大家使劲拉，虽然有些累，但胜利后的笑容让人觉得特别开心。秋风吹在脸上，带着落叶的香味，我感觉整个世界都很美好。

傍晚，我们坐上大巴回幼儿园。一路上，我靠在座位上，看着窗外的落日，心里想着今天的趣事和收获。我明白了，秋天不仅有漂亮的风景，还有友谊和快乐。今天真是一个难忘的秋天奇遇！

Golden Autumn Adventure

Today is the day of our kindergarten autumn outing. I put on my little backpack early in the morning, full of excitement. The sky was blue, and the sun warmly shone on us, as if cheering for our trip. The teacher lined us up, and we boarded the bus. Everyone laughed and chatted along the way as the scenery changed from tall buildings to golden fields and red leaf forests.

When we arrived, I ran to the grass eagerly. The ground was covered with fallen leaves, red maple leaves and golden ginkgo leaves. My friends and I picked up the prettiest leaves and compared who collected the most beautiful ones. Suddenly, I saw a little squirrel jumping from branch to branch as if playing hide-and-seek with us. I quietly told Xiaoming, who also saw it. He took out a small cookie and put it on the ground. The squirrel quickly grabbed it and jumped back to the tree. Everyone laughed.

At noon, we had a picnic under a big tree, sharing snacks together. I ate the sandwich my mom made while listening to the teacher talk about autumn fruits. I learned that autumn is the harvest season, and fruits like apples, persimmons, and

chestnuts are ripe and sweet. I even tried picking small apples. They were a bit sour but very fun.

In the afternoon, we played hide-and-seek and tug-of-war. Xiaohong hid at first, and we searched everywhere, finally finding her. We all laughed and held hands cheering together. During tug-of-war, everyone pulled hard. Although tired, the victorious smiles made us very happy. The autumn wind blew on our faces with the scent of fallen leaves. I felt the world was beautiful.

In the evening, we boarded the bus back to kindergarten. I leaned on my seat, watching the sunset outside, thinking about the day's fun and experiences. I realized that autumn is not only beautiful in scenery but also full of friendship and joy. Today was truly an unforgettable autumn adventure!
