

# 秋游的美好记忆

今天是我们班的秋游日，早晨天很晴朗，阳光透过教室的窗户洒进来，照在我们的课桌上。我早早起床，准备好背包里的水、零食和小本子，兴奋地期待着一天的秋游。

七点半，我们在学校集合，大家互相打招呼，讨论今天的行程。老师检查完人数后，我们坐上了校车出发。一路上，车窗外是连绵的田野和郁郁葱葱的树木，偶尔还能看到小溪流过的影子，空气清新，让人心情愉快。我们在车上唱歌、聊天，还观察沿途的风景，把看到的美景一一记录下来。

到达目的地后，老师带我们先进行了安全讲解，然后分组进行活动。我和同学们在树林里玩捉迷藏，捡落叶，还拍了很多照片。林间的小路上铺满了金黄的落叶，每走一步都发出“沙沙”的声音，感觉自己像走进了童话世界。我们还发现了一些小松果和野果子，大家小心翼翼地观察、采集，互相分享发现的惊喜。

中午，大家在草地上铺开餐布，享用老师准备的午餐。阳光温暖，微风吹过，大家边吃边聊天，回忆上午的趣事。午餐后，老师组织了一些小游戏，比如接力赛和踩气球游戏，大家都参与其中，笑声不断。

下午，我们参观了公园的湖边和小桥。湖水清澈，映出蓝天和红叶的倒影。我们用小本子记录下看到的景色和小动物，还互相交流着观察到的趣事。三点左右，我们开始返校，虽然有些疲惫，但大家都很开心。回到学校时，夕阳洒在操场上，我们挥手告别。这次秋游让我收获了美好的回忆，也让我更加热爱大自然和同学之间的友情。

## Wonderful Memories of the Autumn Outing

Today was our class's autumn outing. The morning was sunny, and sunlight streamed through the classroom windows onto our desks. I got up early, packed water, snacks, and a little notebook in my backpack, and eagerly anticipated the day ahead.

At 7:30 a.m., we gathered at school, greeting each other and discussing the day's schedule. After the teacher took attendance, we boarded the school bus. Outside the window, endless fields and lush trees passed by, and occasionally we could see streams flowing. The fresh air lifted everyone's spirits. On the bus, we sang songs, chatted, and observed the scenery, recording the beautiful sights we saw.

Upon arrival, the teacher first gave a safety briefing, then divided us into groups for activities. My classmates and I played hide-and-seek, collected fallen leaves, and took many photos. The forest paths were covered with golden leaves, and each step made a 'rustling' sound, making us feel as if we had entered a fairy tale world. We also found pinecones and wild fruits, carefully observing and sharing our discoveries with each other.

At noon, we spread mats on the grass and enjoyed the lunch prepared by the

teacher. The warm sun and gentle breeze made the meal even more pleasant. After eating, the teacher organized small games such as relay races and balloon stomping, which everyone eagerly joined, laughing continuously.

In the afternoon, we visited the park's lakeside and small bridges. The clear water reflected the blue sky and red leaves. We recorded the scenery and small animals in our notebooks and shared our observations. Around 3 p.m., we headed back to school. Though a little tired, everyone was happy. When we returned, the sunset bathed the playground in golden light, and we waved goodbye. This autumn outing gave me wonderful memories and deepened my love for nature and friendship with classmates.
