

金色秋天的野外探险

今天一大早，空气中带着清凉的味道，学校的操场上已经聚集了我们班的小伙伴们。大家的眼睛里闪烁着兴奋的光芒，因为今天我们要去秋游，目的地是郊外的生态公园。老师检查了人数，确认每个人都带了水和小零食后，我们排队上车出发。

路上，校车缓缓驶过田野和小河，远处的山坡上覆盖着红黄相间的枫树，像一幅生动的油画。我们互相讨论着看到的风景，拍照留念，还和老师玩了一些小游戏，让旅途充满笑声。

到达公园后，首先进行的是徒步探险活动。我们沿着蜿蜒的小径走进树林，观察树叶的形状和颜色，偶尔还能看到小松鼠蹦来蹦去。老师告诉我们，这些小动物的生活习性和它们对生态的作用，让我们学到了很多课本上没有的知识。途中，我们还捡起掉落的树枝和漂亮的树叶，制作自己的自然笔记。

中午，我们在公园的草坪上野餐。阳光洒在身上，微风吹过，大家吃着三明治和水果，聊着上午的经历。午餐后，我们玩了接力比赛和跳绳比赛，笑声和欢呼声回荡在整个草地上。同学们互相加油，气氛热烈而温馨。

下午的时间我们参观了公园里的小湖。湖水清澈见底，倒映着蓝天和树木的影子。我和几个同学在湖边观察小鱼和水草，尝试记录下看到的生物。老师告诉我们，秋天的湖水格外清澈，是观赏自然生态的好时机。随后，大家在湖边合影留念，记录下这美好的秋游时光。

傍晚时分，我们乘车返校。一路上，同学们都显得有些疲惫，但更多的是满足和快乐。回到学校时，夕阳正好洒在操场上，我们挥手告别，心里满是秋天的喜悦。这次秋游让我体会到了大自然的美，也感受到了和同学们一起探索的乐趣，是一次难忘的经历。

A Golden Autumn Adventure

Early this morning, the air was cool and refreshing, and our classmates had already gathered on the school playground. Excitement sparkled in everyone's eyes because today we were going on an autumn outing to a suburban ecological park. After the teacher checked that everyone had water and snacks, we lined up and boarded the bus.

On the way, the bus slowly passed fields and rivers. The distant hills were covered with red and yellow maple trees, resembling a vivid painting. We discussed the scenery, took photos, and played some games with the teacher, making the journey full of laughter.

Upon arriving at the park, the first activity was a hiking adventure. We followed winding paths into the woods, observing the shapes and colors of leaves, occasionally spotting squirrels jumping about. The teacher explained these animals' habits and their role in the ecosystem, teaching us things not found in textbooks. Along the way, we collected fallen branches and beautiful leaves to make our own nature

journals.

At noon, we had a picnic on the grass. Sunlight warmed us, a gentle breeze blew, and we ate sandwiches and fruit while talking about the morning's experiences. After lunch, we played relay races and jump rope competitions, with laughter and cheers echoing across the lawn. Everyone encouraged each other, creating a lively and warm atmosphere.

In the afternoon, we visited the park's small lake. The water was crystal clear, reflecting the blue sky and surrounding trees. A few classmates and I observed small fish and aquatic plants by the lakeside, recording what we saw. The teacher told us that autumn is the perfect time to enjoy the lake's clear waters and observe nature. We then took group photos by the lake, capturing these wonderful moments.

By evening, we returned to school by bus. On the way back, classmates were tired but filled with satisfaction and joy. When we arrived, the sunset cast a golden light over the playground. We waved goodbye, hearts full of autumn happiness. This outing allowed me to appreciate nature's beauty and enjoy exploring with classmates—an unforgettable experience.
