

# 书香伴我成长

我从小就喜欢读书，家里有很多书籍，从童话故事到科普读物，我都爱不释手。每天放学回家，我最期待的事情就是捧起一本书，静静地坐在窗边读上好久。阅读不仅让我增长了知识，也让我在想象的世界里自由翱翔。平时，我会把课余时间留给书本，有时甚至忘记了时间。

记得有一次，我读《哈利·波特》的第三册《阿兹卡班的囚徒》，我被故事的神奇世界深深吸引。哈利与他的朋友们在霍格沃茨经历了各种惊险和神秘，我仿佛和他们一起在夜晚偷偷溜进禁林，体验着紧张刺激的冒险。那天，我一直读到夜里，眼睛虽然有些酸，但心里却非常满足和兴奋。

读书给我带来的不仅是故事情节的趣味，更重要的是它让我学会了思考和分析。我发现每一本书都有它独特的价值，它教会我如何面对困难，如何与朋友相处，甚至让我学到一些学校里没有的知识。读书像一扇窗，让我看到更广阔的世界，也让我在精神上获得无穷的愉悦。

我想分享一些适合我们六年级学生的阅读方法。首先，我会在读书前先了解书的简介，这样有助于快速进入情节。其次，我会做一些简单的读书笔记，把有趣的故事、重要的知识点或者感动我的句子记录下来。最后，我会尝试用自己的话复述故事，这样不仅能加深记忆，也能锻炼表达能力。

读书让我快乐，也让我自信。每当我在课堂上回答问题或者与同学讨论故事情节时，我都会觉得自己的见识比以前更丰富了。我相信，只要坚持阅读，我就能不断进步，让书香伴我成长。

## Growing Up with the Fragrance of Books

I have loved reading since I was a child. My home is filled with books, from fairy tales to popular science, and I can't put them down. Every day after school, the thing I look forward to most is picking up a book and sitting quietly by the window to read for a long time. Reading not only increases my knowledge but also allows me to freely soar in the world of imagination. I usually dedicate my spare time to books, sometimes forgetting the passage of time.

One time, I read the third book of 'Harry Potter,' 'The Prisoner of Azkaban,' and I was deeply captivated by its magical world. Harry and his friends faced various adventures and mysteries at Hogwarts, and I felt as if I were sneaking into the Forbidden Forest with them, experiencing the thrilling adventure. That day, I read late into the night. My eyes were a little tired, but my heart was very satisfied and excited.

Reading not only brings me the fun of storylines but also teaches me to think and analyze. I realized that each book has its unique value. It teaches me how to face difficulties, interact with friends, and even learn knowledge not taught at school. Reading is like a window that shows me a broader world and brings endless spiritual

joy.

I would like to share some reading methods suitable for sixth graders. First, I like to read a book's introduction before starting, which helps me quickly get into the story. Second, I take simple reading notes, recording interesting stories, important knowledge points, or sentences that touch me. Lastly, I try to retell the story in my own words, which not only deepens my memory but also improves my expression skills.

Reading makes me happy and confident. Whenever I answer questions in class or discuss storylines with my classmates, I feel that my knowledge has become richer. I believe that as long as I keep reading, I will keep improving and let the fragrance of books accompany my growth.
