

# 小年社区活动策划：欢乐与民俗的结合

小年作为春节的重要前奏，是社区文化活动的重要契机。为了让居民在欢庆小年的同时感受到传统文化的魅力，我们设计了一套完整的社区活动策划方案，涵盖民俗讲座、手工制作灶糖、舞龙表演及互动环节。

活动安排从上午九点开始，首先进行民俗文化讲座，由文化老师讲解小年的起源、祭灶习俗以及各地不同的民俗特色。讲座采用生动的案例和互动问答方式，让居民在轻松氛围中了解传统文化，为后续活动做好铺垫。

讲座结束后，进入民俗展示与手工制作环节。居民可以参与剪纸、灶糖制作和年画绘制，通过动手体验传统工艺的魅力。特别是灶糖制作，不仅让孩子和家长体验传统食品的制作过程，也让大家在互动中感受节日的甜蜜和吉祥寓意。

下午的舞龙表演和互动体验将成为活动的高潮。社区文艺团队表演舞龙，同时邀请居民参与部分舞龙动作体验，增强参与感和节日氛围。活动现场还设置了趣味游戏和拍照区，鼓励居民之间的交流互动，拉近邻里关系。

活动组织方面，明确了人员分工和时间安排。讲座由文化老师负责，手工制作由志愿者协助，舞龙表演由文艺团队执行。物资准备包括讲座设备、手工材料、舞龙道具及安全防护用品。安全措施重点关注孩子和老人的参与环节，确保活动顺利安全。

通过本次小年社区活动，居民不仅能在节日前夕感受到浓厚的节日气氛，还能了解和体验中华民俗文化，增进邻里感情与社区凝聚力。该方案适用于社区、学校和企事业单位，可以根据场地和参与人数灵活调整，使小年庆祝活动既有文化内涵，又充满欢乐。

## Xiaonian Community Event Planning: Combining Fun and Folk Traditions

Xiaonian, as an important prelude to the Spring Festival, provides a perfect opportunity for community cultural activities. To help residents celebrate Xiaonian while experiencing the charm of traditional culture, we have designed a comprehensive community event plan, including folk lectures, hands-on Zao sugar making, dragon dance performances, and interactive sessions.

The event begins at 9:00 AM with a folk culture lecture, led by a culture teacher, explaining the origin of Xiaonian, Kitchen God rituals, and regional folk customs. The lecture uses lively case studies and interactive Q&A, allowing residents to learn traditional culture in an enjoyable atmosphere and prepare for subsequent activities.

After the lecture, participants will engage in folk displays and craft workshops, including paper cutting, Zao sugar making, and New Year painting. By hands-on

experience, residents can appreciate traditional crafts. Especially during Zao sugar making, children and parents can experience the process of creating traditional treats and enjoy the symbolic sweetness and good fortune associated with the festival.

The afternoon dragon dance performance and interactive session will be the highlight. The community art team performs the dragon dance, while residents are invited to try some movements, enhancing participation and festive atmosphere. Additionally, interactive games and a photo area will encourage communication and bonding among neighbors.

In terms of organization, roles and schedule are clearly defined. The lecture is led by the culture teacher, crafts assisted by volunteers, and the dragon dance performed by the art team. Supplies include lecture equipment, craft materials, dragon props, and safety equipment. Safety measures focus on children and elderly participants to ensure smooth and secure activities.

Through this Xiaonian community event, residents can enjoy a festive atmosphere before the Lunar New Year, learn and experience Chinese folk culture, and strengthen neighborly relations and community cohesion. This plan is suitable for communities, schools, and enterprises, and can be adjusted according to venue and participant numbers, making Xiaonian celebrations culturally meaningful and full of joy.
