

我眼中的春节习俗

每年的春节，家乡都会变得格外热闹。街道两旁挂起红灯笼，家家户户贴上红红的春联，大家的脸上都洋溢着幸福的笑容。春节在我眼中，不只是一个传统节日，更是一种象征团圆和祝福的仪式。

春节期间，最让我期待的就是和家人一起包饺子了。妈妈会提前准备好馅料和面粉，爸爸擀皮，我和妹妹负责包饺子。虽然有时候我的饺子包得不够漂亮，但家人总是耐心地教我，每一个笑声都让厨房充满了温馨。晚上，煮好的饺子端上桌，热气腾腾的香味扑鼻而来，吃下去的瞬间，仿佛一年的疲惫都消散了。

除夕夜，邻居们会放鞭炮庆祝新年。鞭炮声此起彼伏，烟花在夜空中绽放出五彩斑斓的光芒，整个村子像被点亮了一样。孩子们手里拿着小鞭炮，欢呼雀跃，大人们也跟着笑声不断，这种场景让我觉得春节真的很特别。

大年初一，我们会去拜访亲戚，给长辈拜年，拿到红包总是很开心。每次看到爷爷奶奶笑眯眯的样子，我都会觉得特别温暖。拜年的过程中，大家互相问候新年好，互送祝福，这种浓浓的人情味让我感受到家的温暖。

我爱家乡的春节习俗，它不仅让我感受到节日的欢乐，更让我体会到团圆和亲情的珍贵。我希望这些传统风俗可以一代代传下去，让每个人都能感受到春节带来的幸福与温暖。

Spring Festival Customs in My Eyes

Every year during the Spring Festival, my hometown becomes especially lively. Red lanterns hang along the streets, and every household pastes red couplets on their doors. Everyone's face is filled with happy smiles. In my eyes, the Spring Festival is not just a traditional holiday but also a symbol of reunion and blessings.

During the festival, what I look forward to most is making dumplings with my family. My mom prepares the fillings and dough in advance, my dad rolls the wrappers, and my sister and I are responsible for wrapping the dumplings. Although sometimes my dumplings are not very neat, my family patiently teaches me, and every laugh fills the kitchen with warmth. At night, the steaming dumplings are served, and the aroma fills the air. Eating them feels like all the fatigue of the year melts away instantly.

On New Year's Eve, neighbors set off firecrackers to celebrate the new year. The sound of firecrackers bursts repeatedly, and fireworks bloom in the night sky in colorful patterns, lighting up the entire village. Children hold small firecrackers in their hands, cheering joyfully, while adults laugh along. This scene makes the Spring Festival feel truly special.

On the first day of the lunar year, we visit relatives to pay New Year calls and

receive red envelopes, which always makes me happy. Seeing my grandparents smiling warmly fills me with warmth. During the visits, everyone exchanges greetings and blessings, and the strong sense of community makes me feel the comfort of home.

I love the Spring Festival customs of my hometown. They not only bring joy during the holiday but also make me cherish family reunion and love. I hope these traditions can be passed down through generations, allowing everyone to feel the happiness and warmth of the Spring Festival.
