阅读下面短文，回答后面的问题。

There is a photo on Becky's desk. It is a picture of her family. There are four people in it. The man is her father. He is 36 years old. He can speak Chinese. There is a woman behind Becky. She is Becky's mother. She is 35 years old. She can't speak Chinese, but she can speak English. They are doctors. They work in the same hospital. There is a girl in the picture, too. She is Becky's sister. Her name is Betty. Becky and Betty are in the same school, but they aren't in the same grade. They look like their father. They are American. It's a happy family.

1. How old is Becky's father?

_____

2. Can Becky's mother speak Chinese?

_____

3. Where do Becky's parents work?

_____

4. Who do Becky and Betty look like?

_____

5. Are Becky and Betty in the same school?

_____

> **整体分析：** 文章大意：本文介绍了贝基的家人，包括他们的年龄、职业和爱好。

可沿着虚线剪开

参考答案与解析

> **答案：** 36 years old, No, she can't speak Chinese, In the same hospital, They look like their father, Yes, they are in the same school

解析：

1. 文中说 "The man is her father. He is 36 years old."，直接得出父亲36岁。 2. 文中说 "She can't speak Chinese, but she can speak English."，所以母亲不能说中文。 3. 文中说 "They are doctors. They work in the same hospital."，所以父母在同一家医院工作。 4. 文中说 "They look like their father."，所以 Becky 和 Betty 长得像父亲。 5. 文中说 "Becky and Betty are in the same school, but they aren't in the same grade."，所以她们在同一所学校。每题答案都可直接从文中找到。
