Dear Mike,

I am happy to tell you about my school life(生活).

I have two terms (学期) every year. 1. I go to school from Monday to Friday. I don't have any classes on weekends. 2. I like Wednesday because I have history. History is my favorite subject. I am good at English. I'm very busy on Friday. At 8: 00, I have science. 3. 它有用，但它不容易。 Then at 9: 00, I have math and English class. Lunch is from 12: 00 to 1: 00. All of us have lunch in the school dining hall (食堂). After lunch, we have history and Chinese class. My classes finish at about 3 o' clock. But I have basketball practice (练习) for two hours! I have homework for each class. I like doing homework. 4. Some of the homework is interesting.

How about you? Do you have much homework to do? When are your classes? 5. 你最喜欢的科目是什么呢?

Yours,
