

Dear Lucy,

How are you? I live in Fujian now. I'd like to tell you something about my life (生活).

Every morning my mother cooks breakfast for me. I often have bread, some vegetables and a glass of milk. I have many friends here. I often have lunch with them at school. We can have many kinds of food and drinks for lunch. My good friend, Cindy, likes hamburgers very much. But I don't like them at all, because I think they are unhealthy. I like vegetables a lot. I often have fish with vegetables and some rice for lunch. I have dinner with my family at home. We don't like eating out.

That's my life here. I like it a lot. What about yours?

Yours,

Mary
