答案： As teenagers, we should do some chores at home. I often clean my room, wash the dishes, and help my parents cook. At first, I felt tired, but now I feel happy because doing chores helps me learn skills and take responsibility. I think everyone should enjoy doing some housework every day.

解析：

1. 内容上回答了两个问题：

- 我经常做的家务：clean my room, wash the dishes, help cook.

2. 语言上：使用了提示词 clean, cook, wash, tired, happy, skills。

3. 结构完整：开头点明主题，主体说明家务活动，结尾表达感受和建议，符合书面表达要求。
