

8 . It' s Tony' s birthday. He comes home and sees his dad and mom sitting at the table. On the table there is a birthday cake with nine candles. They say to him, "Happy birthday! There is a gift for you, Tony. Go and look for it in your room."

Tony runs to his room. On his bed he sees a box. He thinks, "What' s in the box?" He opens it. There is nothing but a card in it! Tony takes it out and reads, "Dear Tony, I' m your gift. My 1st letter is in 'way' , but not in 'bay' . My 2nd letter is in 'cake' , but not in 'coke' . My 3rd letter is in 'take' , but not in 'lake' . My 4th letter is in 'class' , but not in 'glass' . My 5th letter is in 'have' , but not in 'cave' . What am I?"

Tony thinks for a while and then he smiles, "Aha, I know what it is. But where is it?" Tony looks for it in his room. "Oh! It' s not on the desk. Hmm... It' s not on the bed."

Then he looks under the bed and finds the gift. "Oh! Here it is! Thank you, mom and dad." Tony says happily.
