

Dear Tom,

I'm happy to hear from (收到……来信) you. Now I want to tell you something about my birthday party. My birthday is on December 25th. And I am going to be 14 years old. 我想要在家庆祝生日。 The birthday party will be on the evening of next Wednesday. Do you want to come to my birthday party?

If you come, we can sing, dance and play interesting games at the party. After the party, we have dinner together. For dinner, we often eat chicken and vegetables. My parents say they are healthy food. If you want to come, please tell me.
